- Member of Nanyang Polytechnic's Talent Programme, Lumina Programme;

05.2024

● Higher Nitec in Cyber and Network Security, Institute of Technical Education

- 3.894GPA;
- Member of the Network Security Club;
- Graduated Top in Cohort;
- Developed a CTF challenge box to facilitate hands-on learning in vulnerability assessment and exploitation;

09.2022

● GCE O/N Level, Hougang Secondary School

- Was a member of Speech and Drama Club for 4 years;

Skills

- Computer Maintenance
- Windows Server
- Networking
- Fortigate
- Linux
- VMWare ESXI
- Google Cloud Platform (GCP)
- UX/UI Design
- Python Programming
- Router Configuration

- ONT/ONR Configuration
- Network Troubleshooting

Experience

07.2025 - Current

Field Engineer

Ammel Technologies

- Installation for broadband services;
- Installation of Optical Network Terminal/Optical Network Router and Routers;
- Installation of Set-Top Boxes;
- Troubleshooting Network-Related problems;
- Reading of Fibre Optic Cables;

09.2024 - 01.2025

Intern

Custodio Technologies

- Hosted a Security Awareness Training Talk, for colleagues with limited knowledge;
- Development of a virtual machine to the cyber range used for training and simulations;

08.2023 - 11.2023

Service Crew

ZENSHO Singapore

- Prepared food for orders;
- Performed cashier duties and taking orders;
- Prepared tea and served to customers;
- Managed crowd control;

10.2022 - 12.2022

Service Crew

BreadTalk Group Pte Ltd

- Packed buns for customer;
- Performed cashier duties and taking orders;

Certifications

CC - Certified in Cybersecurity from ISC(2)
Web Development Fundamentals from IBM
User Experience Design Fundamentals from IBM
